

BEFORE CAMP

Please wear suitable footwear like trainers that you can easily put on yourself and are appropriate for exercise.

Bring a lunch box, water bottle and suitable clothing for the weather.

Make sure everything has your name on.

Wash your hands with soap and water before you leave the house.

ARRIVING AT CAMP

Socially distance as you wait to sign in.

Sign in at the front desk and hand sanitize on your way in.

Put your belongings on/in your safe area.

Exit the building through a different door to the free time zone.

Wait for further instructions from your coach.

DURING EACH CAMP SESSION

Do not touch equipment with your hands.

3 STEPS

Always remain 3 steps apart from anyone else.

Cover your mouth with your sleeve or a tissue when you cough or sneeze (not your hands).

Put your tissue in the bin immediately after and hand sanitise.

If you need basic first aid treatment you will be sent to the **first aid area**.

The first aid trained coach will use PPE while they treat you to keep you both safe.

In the event of a serious injury, stay where you are and the coach will come to you.

AFTER EACH SESSION

Drink and fill up your water bottle if necessary.

Apply hand sanitizer.

Await the next instructions from your coach.

BEFORE CAMP

Wear clean 360 uniform.

Bring your own lunch and drinks.

Ensure you have the necessary equipment.

Refresh your memory on all first aid protocol and procedures.

Ensure you have the relevant cleaning products if necessary.

Wash your hands with soap and water before leaving the house.

DURING CAMP

Make sure children use their safe zones and remind them to hand sanitise regularly.

Explain all expectations and tasks thoroughly.

Maintain social distancing at all times.

SETTING UP AT CAMP

Consider any potential risks in your sessions in line with the risk assessment.

Make sure all equipment is cleaned prior to use.

Set up safe zones/areas for each child, 2m from all others.

Organise a clear first aid area.

Ensure social distancing is indicated in the drop off and collection line.

Make sure you are set up for each session throughout the day.

Sanitise hands and be ready to welcome children.

AT THE END OF CAMP

Ensure children collect all of their belongings and sanitise on the way out.

Help in the swift dismissal of all children in any way possible.

Clean all surfaces and equipment ready for use again.

PREPARATION FOR CAMP

Please read through all of the information and documents sent to you by the 360 team.

Ensure you have read through the guidance's.

BEFORE CAMP

Your child will need to wear suitable footwear for exercise, that a coach has no need to assist them with.

Your child will need to bring a lunch box, water bottle and suitable clothing for the weather.

Please make sure everything has their name on.

You and your child should wash your hands with soap and water before leaving.

ARRIVING AT CAMP

Socially distance on the clear markers as you wait to sign in.

Sign in at the front desk and ensure your child has all of their belongings as you say goodbye to them for the day.

THINGS TO NOTE THROUGHOUT CAMP

All of our games and activities strictly follow the guidelines on social distancing and keeping children with the same children in their 'bubbles' as much as possible.

If at any point your child requires first aid, they will be sent to the first aid area where a first aid trained coach will use PPE to treat them.

Extra hygiene measures will be taken throughout the day including frequent hand sanitation/washing and the cleaning of equipment after every activity.

AT THE END OF CAMP

Collect your child in the same way you dropped them off, by waiting in line on the markers until you reach the front desk.

Make sure they have all of their belongings and social distance as you exit the site.
